### COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED FOR THE YEAR ENDED 31 MARCH 2017.

The preparation of Financial Statements of Manipur State Power Distribution Company Limited (Company) for the year ended 31 March 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under section 139 (5) of the Act are responsible for expressing an opinion on the Financial Statements under section 143 of the Act based on independent audit in accordance with the auditing standards prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 4 September 2021.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Financial Statements of **Manipur State Power Distribution Company Limited** for the year ended **31 March 2017** under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which, in my view, are necessary for enabling a better understanding of the Financial Statements and the related audit report.

### A. Comments on Profitability

### Statement of Profit and Loss Expenses Purchase of Power: ₹406.95 crore

1. This is understated by ₹ 14.12 crore due to non-provisioning towards power purchase bills (current year: ₹ 0.16 crore; prior periods: ₹ 13.96 crore) raised (May 2018/August 2021) by North Eastern Electric Power Corporation Limited (NEEPCO) before approval (September 2021) of the Annual Accounts for 2016-17. This has correspondingly resulted in understatement of 'Current Liabilities (Trade Payables)' and 'Loss for the year' to the same extent.

### **B.** Comments on Financial Position

### Balance Sheet Equity and Liabilities Non-Current Liabilities Long Term Borrowings (Note-4) Power Finance Corporation: ₹210.70 crore

1. This is overstated by ₹ 20.88 crore due to wrong classification of 'Capital Grants' released (February 2017) by Power Finance Corporation Limited (PFC) for implementation of Restructured Accelerated Power Development and Reforms Programme (subsumed in Integrated Power Development Scheme) under 'Long Term Borrowings'. This has correspondingly resulted in understatement of 'Other Current Liabilities-Balance Grants (Capital) (Note-8)' to the same extent.

### Assets. Non-Current Assets Long-Term Loans and Advances Capital Advances: ₹94.91 crore

2. This is overstated by ₹ 3.00 crore due to non-adjustment of Capital Advances paid to the Consultants (M/s Tata Consultancy Services, Kolkata) against the Restructured Accelerated Power Development and Reforms Programme project (R-APDRP project) despite completion of the work assignment by the Consultants. This has correspondingly resulted in understatement of 'Capital Work-in-Progress' to the same extent.

3. This is overstated by ₹ 1.08 crore due to non-capitalisation of the cost of construction of Central Store Main Building (Yurembam-A & B) under 'Fixed Assets' despite completion of works during 2016-17. This has correspondingly resulted in understatement of 'Fixed Assets-Buildings' to the same extent.

Fixed Assets (Note-9) Tangible Assets Buildings Additions during the year: ₹6.79 crore

4. This is overstated by ₹ 0.36 crore due to wrong grouping of the construction cost paid against the works pending completion as on 31 March 2017 under 'Fixed Assets' instead of 'Capital Works in Progress'. This has correspondingly resulted in understatement of 'Capital Works-in-Progress' to the same extent.

Current Assets Short Term Loans & Advances (Note-13) Deposits: ₹4.48 crore

5. This represents the 'Deposits' kept under the Treasury by the Electricity Department, Government of Manipur, which were taken over by the Company during the year 2013-14 under Manipur Electricity Reports Transfer Scheme as part of the Power Sector Reforms. The Company has been carrying forward the said 'Deposits' since the year 2013-14 without complete details and supporting documents to ensure the recoverability of these Deposits, which is against the Accounting Principle of Conservatism.

### TO THE MEMBERS OF MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED

### **Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of Manipur State Power Distribution Company Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating

ABI **UPHAI** FRN 09115E ACC

the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### We report that

- (a) The Govt of Manipur released grant in aid of Rs 28333.33 lakh distinctly indicating
  - (i) Rs 4119.86 lakh for Manipur Power Company Limited (MSPCL) for the purpose of meeting staff salary and maintenance & Operation expenses
  - (ii) Rs 24,213.47 lakh for Manipur Power Distribution Company Limited for the purpose of meeting staff salary and maintenance & Operation expenses and power purchase.

However the company has recognised the total amount of grant of Rs 28,333.33 lakh as their income instead of Rs 24,213.47 lakh. The company transferred to MSPCL the grant of Rs 4119.86 lakh as per terms of sanction orders. However, the amount of grant so remitted has been treated by the company as power transmission charges and included in the power purchase expenditure. There is no tariff transmission rate agreement between the two companies and hence no billing has been raised by MSPCL also. The company- MSPDCL as a grantee entity has no authority to change the term and purpose specified in the sanction orders of Govt. of Manipur. Thus the expenditure under the head 'Purchase of Power' of Rs 40,694.73 lakh has been overstated by Rs 4119.86 lakh. Further the Other income – Govt Grant with explanation under Note No. 26 also has been overstated by the same amount of Rs 4119.86 lakh. Though the remittance to MSPCL does not arise from any business transaction but has been reflected wrongly under Note No. 21 – Related Party transaction as 'transmission charge'.

- (b) The revenue on power distribution (sales) of Rs19,517.85 lakh under Note No. 15 is on the basis of billing for the period as consolidated in CMTR statement at corporate office. However it is observed that the uniform date of billing cycle is not maintained in any Division. As a result the overlapping of cycle is inevitable. Thus true revenue for a period has not been reflected. The company has not introduced cost records and thus has no effective mechanism to establish the linkage of the quantity of power distribution to the Revenue. Hence we are not in position to ascertain the truthfulness of the revenue. To ensure a true picture of revenue it requires to introduce an effective internal control measure.
- (c) Trade Receivables and provision for doubtful debt

Segregation of trade receivables (Note no. 11) between 'more than six months' and 'others' is on ad-hoc assumption that 80% collection of revenue is related to the period October 2016 to March 2017 and is considered as current period billing and the balance towards realisation of arrears. Such segregation should have been done on ageing status of receivables. Thus the actual position of trade receivable has not been reflected in the financial statement.

(d) Provision for doubtful debts

Though huge amount of doubt debt has been taken over from the erstwhile Electricity Department, Govt of Manipur provision for bad debt has not been made in the accounts. There is no record to identify the realisation of the past receivables.

(e) Provision of interest on security deposit of consumer

The Joint Electricity Regulatory Commission for Manipur and Mizoram (Electricity Code) Regulations, 2013 requires that interest on security deposit of consumer has to be provided at the base rate of State Bank of India prevailing on 1<sup>st</sup> April of the financial year 2016-17 i.e. 9.30% pa. The interest on such security deposit has not been provided in the accounts and as such liability and net loss of the year are understated to the extent of accrued amount of interest.

- (f) The other current liabilities (Note 8) payable to Micro and Small Enterprises, if any, have not been ascertained and disclosed separately. In absence of the required information the interest provision has not been made in the accounts
- (g) The provision for retirement benefits Gratuity and Leave encashment (on basis of actuarial valuation) has not been made in the accounts. Thus the company has not complied with AS-15. Further the company has not made provision for EPF liability for the contractual staff whose services are continuously engaged by the company.
- (h) The company does not hold clear title deeds of land purchased in 2014-15. The 1st land under patta No. 17/154,440(old) 248/880 (new), CS Dag No.3069/3425 measuring 0.2509 hect at 17-Chaobok Tahsil Liliong, purchased for Rs 12.00 lakh on 17.6.2014 is registered in the name of the Department of Power, Government of Manipur. Thus the value of land under Note 9 has been wrongly reflected.For the 2<sup>nd</sup> land under patta No 798/913(new) Dag No. 1582/1632 measuring 1.0 at Keirao Langdum purchased for Rs 7.00 lakh the company holds "DEED OF AGREEMENT" only. But the final SALE DEED duly registered could not be produced to us for verification.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements **subject to our above qualification** give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2017, and its profit/loss and its cash flows for the year ended on that date.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

#### 2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of ourknowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- (d) In our opinion and subject to above the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 except as stated above.
- (e) Requirement of disclosure under section 164(2) of the Act is not applicable to the company.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 1 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position except as disclosed in Note No 24
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. There has been no amount required to be transferred to the Investor Education and Protection Fund by the Company.

"Annexure B" to the Independent Auditor's Report of even date on the Standalone Financial Statements of MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MANIPUR STATE POWER DISTRIBUTION COMPAMY LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

We report that the company has not constituted an Audit Committee under section 177 of the Companies Act, 2013 and Rule 6 of the Companies (Meetings of the Board and its Powers) Rule 2014 to oversee the financial reporting process and internal control system of the company.

#### Opinion

Subject to above in our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
