

INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

**TO THE BOARD OF DIRECTORS OF
MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED**

1. We have reviewed the accompanying statement of unaudited financial results of **Manipur State Power Distribution Company Limited** for the quarter ended **30th September 2023**.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing **except as stated in Para 5** has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **The company has not made provision for EPF liability for the contractual/daily wage employees whose services are continuously engaged by the company and covered under Employees Provident Fund and Miscellaneous Provisions Act, 1952. Total number of such employee is 560. Thus expenses, loss and current liability is understated to the extent of such liabilities towards EPF Contribution. The extent of such liabilities is not determined.**

Note 1 Significant Accounting Policies

After the unbundling from the Electricity Department, Government of Manipur (EDM), **MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED (MSPDCL)** needs to follow accounting policy and standards that are applicable to all companies under the Companies Act, 2013. Further Electricity Act 2003 that repealed the Electricity (Supply) Act 1948 laid out detailed accounting policies and standards.

Under the Companies Act 2013, all Companies unless exempted are to prepare their accounts using the Accounting Standards as notified by the Central Government as stated U/S 133 of the Companies Act, 2013 (Under advise from the National Advisory Committee on the Accounting Standards) which are applicable for all Companies. More over the Companies Act, 2013 also requires the Balance Sheet of the Company to be prepared in the form as laid out in Schedule III to the Act. Under this Schedule the Company needs to set out Significant Accounting Policies followed by the Company. The following paragraphs set out illustratively the significant accounting policies:

1. Basis of preparation of financial statements

The company is a public limited company registered under the provisions of Companies Act, 1956. The company is governed by the Electricity Act, 2003. The provisions of the Electricity Act, 2003 read with the rules made thereunder prevail wherever the same are inconsistent with the provisions of the Companies Act, 2013 in terms of section 174 of the Electricity Act, 2003. The accounts have been prepared on the basis of going concern concept and under the historical cost convention. The company adopts accrual basis in preparation of its accounts to comply in all material aspects with Generally Accepted Accounting Principles (GAAP) and the accounting standards issued by the Companies (accounting standards) rules, 2006 as per notification no. G.S.R.739(e) dated 7th December, 2006.

2. Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires estimates and assumptions to be made that affect the reported amounts of assets and the liabilities, disclosure of contingent liability on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which results are known / materialized.

3. Government Grant

- a) Grants-in-aid received from State Government or other authorities towards capital expenditure for projects, betterment of system operation and specific depreciable assets are shown as "Balance Grant" until the utilization of Grant.
- b) Grant received for specific depreciable assets are treated as deferred income and reflected under group head Reserve and Surplus and recognized in the profit and loss account over the useful period of life and in proportion to which depreciation on these assets is provided.
- c) Grants relating to revenue nature are accounted for on a systematic basis in the Statement of Profit and Loss over the period necessary to match them with the related cost which they are intended to compensate.

MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED

NEW DIRECTORATE BUILDING, IMPHAL DIMAPUR ROAD IMPHAL WEST MN 795001

NOTES FORMING PART OF FINANCIAL STATEMENTS AS ON 30.09.2023

- d) Grants Received from Government have been treated as per instructions of the Granting Government.

4. Fixed Assets

- a) Fixed assets of the company are recorded in the books of accounts and disclosed in Annual Accounts as transferred from EDM as on 1st day of February 2014 and subsequent additions made by the company during the year.
- b) All other Fixed Assets excluding paragraph 4(a) above are stated at historical cost less depreciation. Historical cost comprises the cost of acquisition and any other applicable costs attributable in bringing the assets to their working condition for their intended use, is inclusive of freight, duties & taxes (other than those subsequently recoverable from taxing authorities), levies, borrowing costs & all incidentals attributable to bring the asset ready for intended use.
- c) In case of fixed assets, for new projects / extension, the related expenses and interest cost up to the date of commissioning attributable to such project / expansion are capitalized.
- d) In case of Commissioned assets where final settlement of bills with contractors is yet to be effected, capitalization is made on provisional basis subject to necessary adjustment in the year of final settlement.
- e) Incidental expenditure prior to construction, preliminary project expenditure on identification, survey/ feasibility studies of projects etc is apportioned to capital work in progress on the basis of accretion there to. These expenses however are charged to profit and loss account if project is abandoned.
- f) Expenses incurred during the construction period including interest expense by construction divisions/ subdivisions are capitalized and accounted as cost of capital assets.
- g) The company capitalizes the cost of new transformers used for new sub-station, augmentation and replacement. The cost of repair of old/ burnt transformers is charged off to Repair and Maintenance Expenses.
- h) The capital work in progress is stated at cost inclusive of all direct and proportionate overhead costs incurred.
- i) The direct incidental cost incurred by the company at project and planning units for the period are apportioned to respective Capital Work-in-Progress on the basis of cumulative accretions.
- j) The costs incurred and revenue generated during the Trial Runs Stage of the Project / Power Station are capitalized.
- k) The costs incurred on identification, survey and feasibility studies of a project under sanction are shown as a distinct item in capital work in progress till the period of its rejection or three years, whichever is earlier. In case of rejection, the expenses are charged to revenue in the year of its rejection.
- l) Fixed Assets costing individually up to Rs. 5,000/- are charged to revenue in the year of purchase. Cost of all Mobile Phones is charged off to Revenue during the year of purchase.

MANIPUR STATE POWER DISTRIBUTION COMPANY LIMITED

NEW DIRECTORATE BUILDING, IMPHAL DIMAPUR ROAD IMPHAL WEST MN 795001

NOTES FORMING PART OF FINANCIAL STATEMENTS AS ON 30.09.2023

- m) Assets retired from active use and held for sale are valued at cost or Net Realisable Value whichever is lower.
- n) Intangible Assets are capitalized at cost less accumulated amortization and impairment losses, if it is probable that the future economic benefits that are attributable to the assets will flow to the Company.
- o) The cost of Software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits, is recognized as intangible assets in the books of accounts when the same is ready for its intended use.

5. Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that takes substantial period of time to get ready for its intended use. Other borrowing costs not attributable to the acquisition or construction of any capital asset are recognized as expenses in the period in which they are incurred.

6. Depreciation /Amortization

- a) The company provides depreciation on straight line method to the extent of 90% of the cost of asset following the rates notified by Companies Act 2013.
- b) Depreciation on additions/deletions of assets is provided on pro-rata basis from/up to the month in which the asset is available for use/disposal. Where the life and/or efficiency of an asset is increased due to renovation and modernization, the expenditure thereon along with its unamortized depreciable amount is charged prospectively over the revised useful life determined by technical assessment.
- c) Assets procured during the year costing Rs 5,000/- or less are charged to revenue during the year. This policy has been adopted generally across all categories of assets.
- d) On scrapping / obsolescence of an assets, the cost of assets and accumulated depreciation on it is withdrawn and transferred to a profit & loss account.
- e) Leasehold property is amortized over a period of lease.
- f) Expenses capitalized on account of purchase of new application software, implementation of the said software by external third party consultants and purchase of licenses are amortized over their estimated useful lives not exceeding ten years. Other intangible assets are amortized over the period for which benefits are estimated to generate sufficient economic benefits.

7. Impairment of Assets

The Company at the Balance Sheet date assesses individual fixed assets and groups of assets constituting "Cash Generating Units" (CGU) for impairment, if circumstances indicate a possibility or warrant such assessment. Provision is made for impairment of such assets or CGU if carrying cost is higher than recoverable amount.

8. Critical/ Insurance Machinery Spares

- a) Machinery spares procured along with the Plant & Machinery, whose use is expected to be irregular, are capitalized separately, if cost of such spares is known. If cost of such spares is not known, these are capitalized along with concerned plant.
- b) Machinery spares procured subsequently are also capitalized in the year of purchase.
- c) Machinery spares are depreciated fully over the remaining useful life of the related plant and machinery.
- d) Written Down Value of old Machinery Spares is charged to revenue in the year in which such spares are replaced and the old relevant spares are found to be of no further use. However, if the old relevant spares can be repaired and reused, then both are continued to be depreciated over the remaining useful life of the relevant asset.
- e) The repair charges of the old relevant spares are charged to statement of profit and loss.
- f) Other spares are treated as "Stores & Spares" forming part of the inventory, valued at cost or net realizable value whichever is lower and expensed when issued.

9. Inventories

Stock of materials, stores, spare parts is valued at lower of cost or net realizable value, and cost is determined on weighted average cost method. Cost comprises of cost of purchase including duties and taxes (except those which are subsequently recoverable from the taxing authorities) and other costs incurred in bringing them to their present location and condition. Losses towards unserviceable and obsolete stores and spares identified on review are provided in the accounts.

10. Power Purchase Cost

The cost of power purchase under long term agreement is subject to revision based on tariff orders notified by the appropriate commission of respective power generators. The portion of the power purchase cost which is dependent upon such finalization is accounted for as and when such bills/ demands are received from the power generators.

11. Revenue Recognition

- a) Sale of electricity is accounted for based on tariff rates approved by the JERC, inclusive of Fuel Adjustment Charges to the end of the accounting period.
- b) Other income is recognized on accrual basis. Sale of scrap and any other item is accounted when the same is contracted to be sold. Recoveries on account of Liquidated Damages are recognized as income on actual basis.
- c) The Company follows the method of recognizing the revenue surplus (PAT) for the year based on the provisions of Electricity Act 2003.
- d) The Company recognizes revenue to the extent billed during a period. Any unbilled sale is recognized as and when a bill is raised for the same. In case of prepaid connections, revenue is recognized on basis of sale of prepaid vouchers irrespective of usage by consumer and this process is followed consistently.

12. Investments

- a) Long term investments are carried at cost, less provision for diminution other than temporary, if any, in the value of such investments.
- b) Current investments are carried at lower of cost and fair value.

13. Earning Per Share

The Company reports basic and diluted earnings per share (EPS) in accordance with Accounting Standard-20, Earning Per Share. The Basic EPS has been computed by dividing the income available to equity share holders by the weighted average number of equity shares outstanding during the accounting period.

14. Foreign Currency transactions

A foreign currency transaction is recorded, on initial recognition in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency prevailing on the date of the transaction. At the Balance Sheet date, foreign currency monetary items are reported using the closing rate. Gain or loss, if any, is recognized in the Statement of Profit and Loss for the year. The gain or loss arising on account of exchange rate differences between the payment date and transaction date is charged to the Statement of Profit and Loss.

15. Employee Benefits

- a) **Short Term Employee Benefits:** The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as liability (accrued expense).
- b) **Post-employment benefits:** In case of new recruits Defined Benefit Plan like Gratuity and Leave encashment Provision for accruing liability for gratuity and leave encashment on retirement is made on the basis of the liability as actuarially determined as at the year end.
- c) **Benefits to Employees on Deputation:** The retirement benefits like gratuity, leave encashment, provident fund and any other terminal benefits to the employees on deputation from the Electricity Department, Government of Manipur will be borne by the Government of Manipur and hence, no provision for same is made in the books of the company.

16. Leases

- a) **Finance Lease:** In respect of assets acquired on finance lease the lease rentals are charged to the Statement of Profit and Loss as and when the same accrue. Assets acquired subsequent to 1st day of July, 2012 are classified as Finance leases, where the Company has substantially all the risks and rewards of ownership, such assets are capitalized at the inception of the lease at the lower of fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Lease rentals paid are allocated between the liability and interest cost, so as to obtain a constant periodic rate of interest on outstanding liability for each period.
- b) **Operating Lease:** Assets taken on lease under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments under operating leases are recognized as expense on straight line basis.
